

Mathematics Qualifying Exam (MQE)

Any student wishing to enroll in Math 130,135, or 150A must have a passing score on the Math Qualifying Exam or be exempt.

What is the Mathematics Qualifying Exam (MQE)?

The MQE is a math placement exam that is used as a pre-requisite for enrolling into Math 130, 135, and 150A. The MQE consists of 45 multiple-choice questions.

MQE Exemptions

Students are exempt from the MQE if they meet any of the following:

- Student has passed either Math 115 (for Math 130, 135) or Math 125 (for Math 130, 135 and 150A) at CSUF or an equivalent college level course elsewhere.
- Student has taken high school calculus and has attempted the AP calculus exam.
- Student has a high school transcript showing a C or better in at least 1 semester of high school calculus.
- Student has passed an equivalent calculus course at the college level (CSUF or elsewhere) with a D or better. We will not accept a D in Math 130 or 135 to clear the prerequisite for Math 150A. We will accept a D in Math 150A to clear the prerequisite Math 130 or 135.

Registration

To register for the MQE, go to <http://www.fullerton.edu/testing/mqe/> and complete the MQE registration form. Go to Student Financial Services, UH-180 and pay the \$3 test fee.

You will be emailed a confirmation ticket one week prior to the test.
You must bring a picture ID and your student ID number with you to the exam.

Scores are good for two consecutive semesters. MQE scores will be provided via your campus email.
